

The Board of Directors of Antipa Resources Ltd. (the “Company”) is responsible for the corporate governance of the Company. The Board guides and monitors the business and affairs of the Company on behalf of the shareholders by whom they are elected and to whom they are accountable.

This statement sets out the main corporate governance practices in place throughout the financial year in accordance with 3rd edition of the ASX Principles of Good Corporate Governance and Best Practice Recommendations.

This Statement was approved by the Board of Directors and is current as at 19 September 2017.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

ASX Recommendation 1.1: A listed entity should establish the functions reserved to the Board and those delegated to senior executives and disclose those functions.

The Company has complied with this recommendation.

The Board has adopted a formal charter that details the respective Board and management functions and responsibilities. A copy of this Board charter is available in the corporate governance section of the Company's website at www.antipaminerals.com.au.

ASX Recommendation 1.2: A listed entity should undertake appropriate checks before appointing a person or putting forward to security holders a candidate for election as a Director and provide security holders with all material information relevant to a decision on whether or not to elect or re-elect a Director.

The Company has complied with this recommendation.

The Company did not elect any new Directors during the year.

Information in relation to Directors seeking reappointment is set out in the Directors report and Notice of Annual General Meeting.

ASX Recommendation 1.3: A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.

The Company has complied with this recommendation.

The Company has in place written agreements with each Director and Senior Executives.

ASX Recommendation 1.4: The company secretary of a listed company should be accountable directly to the Board, through the chair, on all matters to do with the proper functioning of the Board.

The Company has complied with this recommendation.

The Board Charter provides for the Company Secretary to be accountable directly to the Board through the Chair.

ASX Recommendation 1.5: A listed entity should:

- **Have a diversity policy which includes the requirement for the Board to set measurable objectives for achieving gender diversity and assess annually the objectives and the entity's progress to achieving them;**
- **disclose the policy or a summary of it;**
- **disclose the measurable objectives and progress towards achieving them; and**
- **disclose the respective proportions of men and women on the Board and at each level of management and the company as a whole.**

The Company partly complies with this recommendation.

The Company has adopted a Diversity Policy which is available in the corporate governance section of the Company's website at www.antipaminerals.com.au.

The Board considers that, due to the size, nature and stage of development of the Company, setting measurable objectives for the Diversity Policy at this time is not practical. The Board will consider setting measurable objectives as the Company increases in size and complexity.

The Company currently has a very small number of employees which does not include any women employees and it has no women on the Board.

ASX Recommendation 1.6: A listed entity should disclose the process for evaluating the performance of the Board, its committees and individual Directors.

The Company has complied with this recommendation.

The Company's Board charter outlines the process for evaluating the performance of the Board and its Committees. This provides that, once a year, the Board shall review and discuss the performance of the Board as a whole, its Committees and individual Directors. If it is apparent that there are problems which cannot be satisfactorily considered by the Board itself, the Board may decide to engage an independent adviser to undertake this review.

The Company's Nomination and Remuneration Committee is also required review the performance of the Board, its committees and individual Directors.

A performance review was undertaken during the reporting period.

ASX Recommendation 1.7: A listed entity should have and disclose a process for periodically evaluating the performance of its senior executives and disclose in relation to each reporting period where a performance evaluation was undertaken in accordance with a process.

The Company has complied with this recommendation.

The Company has in place procedures for evaluating the performance of its senior executives overseen by the Nomination and Remuneration Committee. This evaluation is based on specific criteria, including the business performance of the Company and its subsidiaries, whether strategic objectives are being achieved and the development of management and personnel.

A performance review was undertaken during the reporting period.

PRINCIPLE 2: STRUCTURE THE BOARD TO ADD VALUE

ASX Recommendation 2.1: The Board of a listed entity should establish a Nomination Committee:

- **With at least three members the majority of which are independent Directors;**
- **chaired by an independent director; and**
- **disclose the charter of the committee, the members of the committee and the number of times the committee met throughout the period and member attendance at those meetings.**

The Company has complied with this recommendation.

The Board has established a Nomination and Remuneration Committee. Currently, Mr. Peter Buck (Chair), Mr. Gary Johnson and Mr. Mark Rodda serve on the Nomination and Remuneration Committee.

A copy of the committee's charter is available in the corporate governance section of the Company's website at www.antipaminerals.com.au. Details of the number of meetings of the committee and attendance at those meetings are set out in the Directors Report.

ASX Recommendation 2.2: A listed entity should have and disclose a Board skills matrix setting out the mix of skills and diversity that the Board currently has or is looking to achieve in its membership.

The Company has complied with this recommendation.

The Board has established a skill matrix. On a collective basis the Board has the following skills:

Strategic expertise: Ability to identify and critically assess strategic opportunities and threats and develop strategies.

Specific Industry knowledge: Geological and metallurgical qualifications are held by Board members and all members of the Board have a general background and experience in the resources sector including exploration, mineral resource project development and mining.

Accounting and finance: The ability to read and comprehend the Company's accounts, financial material presented to the Board, financial reporting requirements and an understanding of corporate finance.

Legal: Overseeing compliance with numerous laws, ensuring appropriate legal and regulatory compliance frameworks and systems are in place and understanding an individual Director's legal duties and responsibilities.

Risk management: Identify and monitor risks to which the Company is, or has the potential to be exposed to.

Experience with financial markets: Experience in working in or raising funds from the equity or capital markets.

Investor relations: Experience in identifying and establishing relationships with Shareholders, potential investors, institutions and equity analysts.

ASX Recommendation 2.3: A listed entity should disclose the names of the Directors considered by the Board to be independent Directors and provide details in relation to the length of service of each Director.

The Company has complied with this recommendation.

Mr Peter Buck and Mr Gary Johnson are considered to be independent Directors.

Mr Mark Rodda performs additional consulting work for the Company on an arm's length basis and as such is not considered independent.

Mr Stephen Power and Mr Roger Mason are Executive Directors and are not considered independent Directors as they are employed in an executive capacity.

Mr Stephen Power is also a substantial shareholder of the Company.

Messrs Power, Mason, Rodda, and Buck have been Directors since 1 November 2010. Mr Johnson has been a Director since 23 November 2010.

ASX Recommendation 2.4: The majority of the Board of a listed entity should be independent Directors.

The Company has not complied with this recommendation.

As in ASX recommendation 2.3, the majority of the Board is not considered to be independent.

The Board considers that its current composition is appropriate given the current size and stage of development of the Company and allows for the best utilisation of the experience and expertise of its members.

Directors having a conflict of Interest in relation to a particular Item of business must absent themselves from the Board meeting before commencement of discussion on the topic.

ASX Recommendation 2.5: The Chair of a listed entity should be an independent Director and, in particular, should not be the same person as the CEO of the entity.

The Company partly complies with this recommendation.

The Chairperson, Mr. Stephen Power is not considered to be an independent Director. Notwithstanding this the Directors believe that Mr Power is able to, and does make, quality and independent judgement in the best interests of the Company on all relevant issues before the Board.

Mr. Roger Mason is Managing Director of the Company. The Board has agreed, and the Company has set out, a clear statement of division of responsibility between the roles of the Executive Chairman and the Managing Director.

ASX Recommendation 2.6: A listed entity should have a program for inducting new Directors and provide appropriate professional development opportunities.

The Company has complied with this recommendation.

The Nomination and Remuneration Committee has responsibility for the approval and review of induction procedures for new appointees to the Board to ensure that they can effectively discharge their responsibilities which will be facilitated by the Company Secretary. There were no new Directors appointed during the reporting period. The Nomination and Remuneration Committee is also responsible for the program for providing adequate professional development opportunities for Directors and management.

PRINCIPLE 3: ACT ETHICALLY AND RESPONSIBLY

ASX Recommendation 3.1: A listed entity should establish a code of conduct and disclose the code or a summary of the code.

The Company has complied with this recommendation.

The Company has established a code of conduct that sets out the principles covering appropriate conduct in a variety of contexts and outlines the minimum standard of behaviour expected from Directors and employees.

A copy of the Company's code of conduct is available in the corporate governance section of the Company's website at www.antipaminerals.com.au.

PRINCIPLE 4: SAFEGUARD INTEGRITY IN FINANCIAL REPORTING

ASX Recommendation 4.1: The Board of a listed entity should establish an audit committee:

- **With at least three members, all of whom are non-executive Directors and a majority of which are independent Directors;**
- **chaired by an independent Director; and**
- **disclose the charter of the committee, the members of the committee and the number of times the committee met throughout the period and member attendance at those meetings.**

The Company has complied with this recommendation.

The Board has established an Audit and Risk Committee and adopted a charter that sets out the committee's role and responsibilities, composition and membership requirements. Currently, Mr. Peter Buck (Chair), Mr. Gary Johnson and Mr. Mark Rodda serve on the Audit and Risk Committee.

The role of the Audit and Risk Committee is to assist the Board in monitoring and reviewing any matters of significance affecting financial reporting, risk management and compliance.

The qualifications of the members of the Audit and Risk committee are set out in the Directors report. Although members of the committee do not hold accounting or finance qualifications they do have an understanding of financial reporting requirements and experience in ensuring that these requirements are met and that relevant controls are in place to ensure the integrity of the financial statements and reports.

A copy of the charter of the Audit and Risk Committee is available in the corporate governance section of the Company's website at www.antipaminerals.com.au.

Details of the number of meetings of the committee and attendance at those meetings are set out in the Directors Report.

ASX Recommendation 4.2: The Board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.

The Company partly complies with this recommendation.

The Board has received the assurance required by ASX Recommendation 4.2 in respect of the financial statements for the half year ended 31 December 2016 and the full year ended 30 June 2017. Given the size and nature of the Company's operations the Board has not received the assurance in respect of the quarterly cash flow statements believing that the provision of the assurance for the half and full year financial statements is sufficient.

ASX Recommendation 4.3: A listed entity should ensure that the external auditor attends its Annual General Meeting and is available to answer questions from security holders relevant to the audit.

The Company has complied with this recommendation.

The external auditor attends the Annual General Meeting and is available to answer questions from shareholders relevant to the audit and financial statements. The external auditor will also be allowed a reasonable opportunity to answer written questions submitted by shareholders to the auditor as permitted under the Corporations Act.

PRINCIPLE 5: MAKE TIMELY AND BALANCED DISCLOSURE

ASX Recommendation 5.1: A listed entity should establish written policies designed to ensure compliance with ASX Listing Rule disclosure requirements and to ensure accountability at a senior executive level for that compliance and disclose those policies or a summary of those policies.

The Company has complied with this recommendation.

The Company has established a continuous disclosure policy which is designed to guide compliance with ASX Listing Rule disclosure requirements and to ensure that all Directors, senior executives and employees of the Company understand their responsibilities under the policy. The Board has designated the Executive Chairman, Managing Director and the Company Secretary as the persons responsible for ensuring that this policy is implemented and enforced and that all required price sensitive information is disclosed to the ASX as required.

In accordance with the Company's continuous disclosure policy, all information provided to ASX for release to the market is posted to its website at www.antipaminerals.com.au after ASX confirms an announcement has been made.

A copy of the continuous disclosure policy is available in the corporate governance section of the Company's website at www.antipaminerals.com.au.

PRINCIPLE 6: RESPECT THE RIGHTS OF SHAREHOLDERS

ASX Recommendation 6.1: A listed entity should provide information about itself and its governance to investors via its website.

The Company has complied with this recommendation.

The Company's website at www.antipaminerals.com.au contains information about the Company's projects, Directors and management and the Company's corporate governance practices, policies and charters. All ASX announcements made to the market, including annual and half year financial results are posted on the website as soon as they have been released by the ASX. The full text of all notices of meetings and explanatory material, the Company's Annual Report and copies of all investor presentations are posted on the website.

ASX Recommendation 6.2: A listed entity should design and implement an investor relations program to facilitate effective two-way communication with investors.

The Company has complied with this recommendation.

The Company's Executive Chairman and Managing Director are the Company's main contacts for investors and potential investors and make themselves available to discuss the Company's activities when requested. In addition to announcements made in accordance with its continuous disclosure obligations Company, from time to time, prepares and releases general investor updates about the Company.

Contact with the Company can be made via an email address provided on the website and investors can subscribe to the Company's mailing list.

ASX Recommendation 6.3: A listed entity should disclose the policies and processes it has in place to facilitate and encourage participation at meetings of security holders.

The Company has complied with this recommendation.

The Company encourages participation of shareholders at any general meetings and its Annual General Meeting each year. Shareholders are encouraged to lodge direct votes or proxies subject to the adoption of satisfactory authentication procedures if they are unable to attend the meeting.

The full text of all notices of meetings and explanatory material are posted on the Company's website at www.antipaminerals.com.au.

ASX Recommendation 6.4: A listed entity should give security holders the option to receive communications from, and send communications to, the entity and its security register electronically.

The Company has complied with this recommendation.

Contact with the Company can be made via an email address provided on the website and investors can subscribe to the Company's mailing list.

The Company's share register provides a facility whereby investors can provide email addresses to receive correspondence from the Company electronically and investors can contact the share register via telephone, facsimile or email.

PRINCIPLE 7: RECOGNISE AND MANAGE RISK

ASX Recommendation 4.1: The Board of a listed entity should have a committee to oversee risk:

- **With at least three members, all of whom are non-executive Directors and a majority of which are independent Directors;**
- **chaired by an independent director; and**
- **disclose the charter of the committee, the members of the committee and the number of times the committee met throughout the period and member attendance at those meetings.**

The Company has complied with this recommendation.

The Board has established an Audit and Risk Committee and adopted a charter that sets out the committee's role and responsibilities, composition and membership requirements. Currently, Mr. Peter Buck (chair), Mr. Gary Johnson and Mr. Mark Rodda serve on the Audit and Risk Committee.

The role of the Audit and Risk Committee is oversee the Company's risk management systems, practices and procedures to ensure effective risk identification and management and compliance with internal guidelines and external requirements.

A copy of the charter of the Audit and Risk Committee is available in the corporate governance section of the Company's website at www.antipaminerals.com.au.

Details of the number of meetings of the committee and attendance at those meetings are set out in the Directors Report.

ASX Recommendation 7.2: The Board or a committee of the Board, of a listed entity should review the entity's risk management framework at least annually to satisfy itself that it continues to be sound and disclose in relation to each reporting period whether such a review was undertaken.

The Company has complied with this recommendation.

The charter of the Audit and Risk Committee provides that the committee will annually review the Company's risk management framework to ensure that it remains sound.

The committee conducted such a review during the reporting period.

ASX Recommendation 7.3: A listed entity should disclose if it has an internal audit function and if it does not have an internal audit function that fact and the processes it employs for evaluating and continually improving the effectiveness of risk management and internal control processes.

The Company has complied with this recommendation.

Given the Company's current size and level of operations it does not have an internal audit function. The Audit and Risk Committee oversees the Company's risk management systems, practices and procedures to ensure effective risk identification and management and compliance with internal guidelines and external requirements and monitors the quality of the accounting function.

ASX Recommendation 7.4: A listed entity should disclose whether it has any material exposure to economic, environmental and social sustainability risks and if it does how it manages or intends to manage those risks.

The Company has complied with this recommendation.

The Company has exposure to economic risks, including general economy wide economic risks and risks associated with the economic cycle which impact on the price and demand for minerals which affects the sentiment for investment in exploration companies.

There will a requirement in the future for the Company to raise additional funding to pursue its business objectives. The Company's ability to raise capital may be effected by these economic risks.

Company has in place risk management procedures and processes to identify, manage and minimise its exposure to these economic risks where appropriate.

The operations and proposed activities of the Company are subject to State and Federal laws and regulations concerning the environment. As with most exploration projects and mining operations, the Company's activities are expected to have an impact on the environment, particularly if advanced exploration or mine development proceed. It is the Company's intention to conduct its activities to the highest standard of environmental obligation, including compliance with all environmental laws.

The Board currently considers that the Company does not have any material exposure to social sustainability risk. The Company's Corporate Code of Conduct outlines the Company's commitment to integrity and fair dealing in its business affairs and to a duty of care to all employees, clients and stakeholders. The code sets out the principles covering appropriate conduct in a variety of contexts and outlines the minimum standard of behavior expected from employees when dealing with stakeholders.

PRINCIPLE 8: REMUNERATE FAIRLY AND RESPONSIBLY

ASX Recommendation 8.1: The Board of a listed entity should establish a remuneration committee:

- **With at least three members the majority of which are independent Directors;**
- **chaired by an independent Director; and**
- **disclose the charter of the committee, the members of the committee and the number of times the committee met throughout the period and member attendance at those meetings.**

The Company has complied with this recommendation.

The Board has established a Nomination and Remuneration Committee and adopted a charter that sets out the remuneration and nomination committee's role and responsibilities, composition and membership requirements. Currently, Mr. Peter Buck (chair), Mr. Gary Johnson and Mr. Mark Rodda serve on the Nomination and Remuneration Committee.

A copy of the committee's charter is available in the corporate governance section of the Company's website at www.antipaminerals.com.au.

Details of the number of meetings of the committee and attendance at those meetings are set out in the Directors Report.

ASX Recommendation 8.2: A listed entity should separately disclose its policies and practices regarding the remuneration of non-executive Directors and the remuneration of executive Directors and other senior executives.

The Company has complied with this recommendation.

Mr Gary Johnson, Mr Peter Buck and Mr Mark Rodda are paid a fixed annual fee for their service to the Company as a Non-Executive Director. Non-Executive Directors may, subject to shareholder approval, be granted options.

Executives of the Company typically receive remuneration comprising a base salary component and other fixed benefits based on the terms of their employment agreements with the Company and potentially the ability to participate in bonus arrangements and may, subject to shareholder approval if appropriate, be granted options.

ASX Recommendation 8.3: A listed entity which has an equity based remuneration scheme should have a policy on whether participants are permitted to enter into transactions which limit the economic risk of participating in the scheme and disclose the policy or a summary of that policy.

The Company has complied with this recommendation.

Participants in any Company equity based remuneration scheme are not permitted to enter into transactions which limit the economic risk of participating in the scheme.
