29 April 2021

Dear Shareholder,

Invitation to Participate in Share Purchase Plan

On Wednesday 28 April 2021, Antipa Minerals Limited (ACN 147 133 364) (**Antipa** or **the Company**) announced that it had successfully completed a placement of 523,809,549 fully paid ordinary shares (**Shares**) at a price of \$0.042 per Share to sophisticated, institutional and professional investors, raising approximately \$22 million (**Placement**).

The Placement was completed and the Shares were issued on 28 April 2021. The Shares issued under the Placement were issued under the Company's placement capacity pursuant to ASX Listing Rule 7.1 and ASX Listing Rule 7.1A.

In order to provide Eligible Shareholders (defined below) with the ability to participate in the Company's capital raising activities, the Company is pleased to provide details of a Share Purchase Plan (**Plan**).

Under the Plan, Eligible Shareholders will have the opportunity to purchase up to \$30,000 worth of Shares at the same price as the Placement, irrespective of the size of their shareholding, without incurring brokerage or transaction costs.

The offer under the Plan (**Offer**) intends to raise a maximum of \$3 million on the terms and conditions (**Terms and Conditions**) contained in this letter. The Company, in its absolute discretion, may elect to close the Offer early and/or scale back applications.

Shareholders Eligible to Participate in the Plan

Participation under the Plan is optional and is available exclusively to shareholders of the Company who are registered as holders of Shares at 5pm AWST on Tuesday, 20 April 2021 (**Record Date**) and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

Share Purchase Plan

The Plan entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase up to \$30,000 worth of Shares at an issue price of \$0.042 (**Price**) being the same price as the Shares offered to sophisticated and professional investors under the Placement. The Price represents a discount of 17.33% to \$0.0508, being the volume weighted average market price (**VWAP**) of the Shares over the last 5 trading days on which sales in the Shares were recorded before the day on which the Plan was announced.

In accordance with the ASX Listing Rules, the maximum number of Shares that can be issued under a share purchase plan is that amount equal to 30% of the Company's existing issued share capital. The Company intends to raise \$3 million under the Plan, which equates to the issue of 71,428,571 Shares, this figure will not breach the 30% threshold imposed by the ASX Listing Rules.

Depending on applications received, the Company will, in its absolute discretion, undertake a scale back so that not more than \$3 million is raised under the Plan. Scale back decisions are made by the Board and are final.

The Plan will not be underwritten.

The directors of the Company who are Eligible Shareholders may participate under the Plan and all of the Company's directors intend to participate for the maximum amount of \$30,000 each.

An application form for the Plan (**Application Form**) is available at the following weblink: <https://azyoffer.thereachagency.com> (or is enclosed with this Offer if you have not elected to receive Company correspondence electronically).

Current Activities

Details of the Company's current activities are set out in the announcements made by the Company to the ASX and are available from the ASX platform (ASX: AZY), or the Company's website at www.antipaminerals.com.au.

All payments in accordance with the options set out in your Application Form (**Application**) must be received by the **Closing Date of 5pm (AWST) on Thursday, 13 May 2021**. If the exact amount of money is not tendered with your Application, the Company reserves the right to either:

- (a) return your application monies and not issue any Shares to you; or
- (b) issue to you the number of Shares that would have been issued had you applied for the highest designated amount that is less than the amount of your payment and refund the excess application money to you by cheque as soon as possible, without interest.

Once an Application has been made it cannot be revoked.

Multiple Holdings

The maximum investment any Eligible Shareholder may apply for will remain \$30,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application amount paid for the Shares the subject of the Application and any other shares and interests in the class applied for by you under the Plan or any similar arrangement in the 12 months prior to the date of submission does not exceed \$30,000.

Custodians and Nominees

Eligible Shareholders who hold Shares as Custodian or Nominee (**Custodian**) for one or more persons on the Record Date (**Beneficiary**) may apply for up to a maximum amount of \$30,000 worth of Shares in respect of each Beneficiary who is resident in Australia or New Zealand, subject to providing a Custodian Certificate to the Company, as described in the Terms and Conditions enclosed with this letter. Please refer to the Terms and Conditions for more details.

Relationship of Issue Price with Market Price

On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was \$0.051. The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your Application under this Offer.

By making an Application under this Offer and applying for Shares under the Plan, each Eligible Shareholder will be acknowledging that although the Price is at a discount, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an Application under this Offer.

Additional Information and Important Dates

The offer of Shares under the Plan is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and therefore does not require a prospectus for the purposes of Chapter 6D of the *Corporations Act 2001* (Cth) (**Corporations Act**).

The Offer cannot be transferred, and the Directors of the Company reserve the right in their absolute discretion to reject, or scale back, on an equitable basis, any Application. Shares issued under the Plan will be issued no later than 7 business days after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

The maximum amount proposed to be raised under the Offer is \$3 million. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer, subject to the ASX Listing Rules.

In the event of oversubscription by the Closing Date the Directors will, in their absolute discretion, scale-back applications on an equitable basis. Scale-back for Shares held by Custodians will be applied at the level of the underlying Beneficiary. Directors may also, in their absolute discretion, decide to increase acceptances in the event of oversubscriptions.

If the Company rejects or scales-back an Application or purported application, the Company will promptly return to the shareholder the relevant Application monies, without interest.
