EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://antipaminerals.com.au/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – NEIL WARBURTON

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Neil Warburton, having been appointed by other Directors on 13 August 2025 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Neil Warburton will be elected to the Board as an independent Director.

If this Resolution is not passed, Neil Warburton will not continue in their role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – PETER BUCK

Listing Rule 14.4 and clause 15.2 of the Constitution provides that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. Board recommendation	Having received an acknowledgement from Peter Buck that they will have sufficient time to fulfil their responsibilities as a Director and having reviewed the performance of Peter Buck since their appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Peter Buck) recommend that Shareholders vote in favour of this Resolution.

4.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Peter Buck will be re-elected to the Board as an independent Director.

If this Resolution is not passed, Peter Buck will not continue in their role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

5. RESOLUTION 4 – RE-ELECTION OF DIRECTOR – STEPHEN POWER

5.1 General

6. RESOLUTION 5 – INCREASE IN TOTAL AGGREGATE REMUNERATION FOR NON-EXECUTIVE DIRECTORS

6.1 General

This Resolution seeks Shareholder approval for the purposes of clause 15.8 of the Constitution and Listing Rule 10.17 to increase the total aggregate amount of fees payable to non-executive Directors from \$400,000 to \$600,000.

Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of directors' fees payable to all of its non-executive directors without the approval of holders of its ordinary securities.

Directors' fees include all fees payable by the entity or any of its child entities to a non-executive director for acting as a director of the entity or any of its child entities (including attending and participating in any board committee meetings), superannuation contributions for the benefit of a non-executive director and any fees which a non-executive director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine "special exertion" fees paid in accordance with an entity's constitution, or securities issued to a non-executive director under Listing Rules 10.11 or 10.14 with the approval of the holders of its ordinary securities.

Clauses 15.7 and 15.8 of the Constitution provides that total aggregate remuneration payable to the non-executive Directors will not exceed the sum initially set by the Constitution and subsequently increased by ordinary resolution of Shareholders in a general meeting.

6.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the maximum aggregate amount of fees payable to the non-executive Directors will increase by \$200,000 to \$600,000.

If this Resolution is not passed, the maximum aggregate amount of fees payable to non-executive Directors will remain at \$400,000. This may inhibit the ability of the Company to remunerate, attract and retain appropriately skilled non-executive directors.

6.3 Technical information required by Listing Rule 10.17

REQUIRED INFORMATION	DETAILS
Maximum aggregate amount of director's fees	This Resolution seeks to increase the maximum aggregate amount of fees payable to the non-executive Directors by an amount of \$400,000 to \$600,000. This amount has been determined after reviewing similar companies listed on ASX and the Directors believe that this

REQUIRED INFORMATION	DETAILS
	level of remuneration is in line with corporate remuneration of similar companies. Whilst it is not envisaged that the maximum amount sought will be utilised immediately, the increase to maximum aggregate amount of fees payable may enable the Company to: (a) fairly remunerate both existing and any new non-executive directors joining the Board; (b) remunerate its non-executive Directors appropriately for the expectations placed upon them both by the Company and the regulatory environment in which it operates; and (c) have the ability to attract and retain non-executive directors whose skills and qualifications are appropriate for a company of the size and nature of the Company.
Securities issued to non-executive Directors	In the past 3 years, the Company has issued an aggregate of 14,850,000 (calculated on a post-consolidation basis) Options to non-executive Directors pursuant to Listing Rules 10.11 and 10.14. These Securities were issued to the following non-executive Directors (shown on a post-consolidation basis): (a) 4,500,000 Options to Roger Mason; (b) 3,750,000 Options to Mark Rodda; (c) 2,400,000 Options to Stephen Power (d) 1,800,000 Options to Peter Buck (e) 1,800,000 Options to Gary Johnson; and (f) 600,000 Options to Neil Warburton. The Company notes that the above figures do not include issues to directors pursuant to shareholder approval obtained under Listing Rule 10.11 for the Director's participation in share purchase plan and placements undertaken by the Company in the last 3 years. All figures shown above are stated on a post-consolidation basis (refer ASX Release dated 4 March 2025 for further details).

6.4 Board Recommendation

Given the interest of the non-executive Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

7. RESOLUTIONS 6 TO 11 – APPROVAL TO ISSUE OPTIONS TO DIRECTORS

7.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue up to an aggregate of 4,950,000 Options (**Options**) to Directors of the Company, Roger Mason, Mark Rodda, Stephen Power, Peter Buck, Gary Johnson and Neil Warburton (or their nominees) (**Related Parties**) on the terms and conditions set out below.

Resolutions 6 to 11 seek Shareholder approval for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.11 for the issue of the Options to the Related Parties.

Further details in respect of issue are set out in the table below.

RECIPIENT	RESOLUTION	OPTIONS
Roger Mason (or his nominee)	6	1,500,000
Mark Rodda (or his nominee)	7	1,350,000
Stephen Power (or his nominee)	8	600,000
Peter Buck (or his nominee)	9	600,000
Gary Johnson (or his nominee)	10	600,000
Neil Warburton (or his nominee)	11	300,000
Total		4,950,000

7.2 Director recommendation

Each Director has a material personal interest in the outcome of these Resolutions on the basis that all of the Directors (or their nominee(s)) are to be issued Options should these Resolutions be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on these Resolutions.

7.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Options to the Related Parties constitutes giving a financial benefit and each of the Related Parties is a related party of the Company by virtue of being a Director.

As the Options are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the Options. Accordingly, Shareholder approval for the issue of Options to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act.

7.4 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of Options falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

7.5 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue and will have to renegotiate the terms of the Options proposed to be issued to the Related Parties on less incentivised terms, potentially misaligning incentives for the Related Parties.

7.6 Technical Information required by Listing Rule 10.13 and section 219 of the Corporations Act

REQUIRED INFORMATION	DETAILS
Name of the persons to whom Options will be issued	The proposed recipients of the Options are set out in Section 7.1 above.
Categorisation under Listing Rule 10.11	Each of the proposed recipients falls within the category set out in Listing Rule 10.11.1 as they are a related party of the Company by virtue of being a Director. Any nominee(s) of the proposed recipients who receive Options may constitute 'associates' for the purposes of Listing Rule 10.11.4.
Number of Options	The maximum number of Options to be issued (being the nature of the financial benefit proposed to be given) and the allocation between the recipients is set out in the table included at Section 7.1 above.
Terms of Options	The terms and conditions of the Options are set out in Schedule 1.
Date(s) on or by which the Options will be issued	The Options will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Options will occur on the same date.
Price or other consideration the Company will receive for the Options	The issue price of the Options will be nil. The Company will not receive any other consideration in respect of the issue of the Options (other than in respect of funds received on exercise of the Options).
Purpose of the issue, including the intended use of any funds raised by the issue	The purpose of the issue of the Options is to provide a performance linked incentive component in the remuneration package for the Related Parties to align the interests of the Related Parties with those of Shareholders, to motivate and reward the performance of the Related Parties in their roles as Directors and to provide a cost effective way for the Company to remunerate the Related Parties, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties.

REQUIRED INFORMATION	DETAILS																					
Consideration of type and quantum of Security to be issued	(a) The Options are unquoted Options; therefore, the issue of the Options has no immediate dilutionary impact on Shareholders.																					
	(b) The deferred taxation benefit which is available to the Related Parties in respect of an issue of Options is also beneficial to the Company as it means the Related Parties are not required to immediately sell the Options to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company.																					
	(c) It is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options on the terms proposed.																					
	(d) The number of Options to be issued to each of the Related Parties has been determined based upon:																					
	(i) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;																					
	(ii) the remuneration of the Related Parties; and																					
	(iii) incentives to attract, ensure continuity of service and retain the service of the Related Parties who have appropriate knowledge and expertise, while maintaining the Company's cash reserves.																					
Remuneration	The total remuneration package for each of the proposed recipients for the previous financial year and the proposed total remuneration package for the current financial year are set out below:

8. RESOLUTION 12 – RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS IN THE CONSTITUTION

8.1 General

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.

In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).

The Company's constitution (including the proportional takeover provisions set out in clause 37) was adopted on 11 November 2022. Accordingly, the proportional takeover provisions included in the Constitution apply until 11 November 2022 unless sooner omitted or renewed.

This Resolution is a special resolution which will enable the Company to modify its Constitution by renewing clause 37 for a period of three years from the date of Shareholder approval. It is noted that Shareholder approval will not result in a change to the wording of clause 37.

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to three years on each occasion.

A copy of the Constitution was released to ASX on 16 November 2022 and is available for download from the Company's ASX announcements platform.

8.2 Technical information required by section 648G(5) of the Corporations Act

Overview	A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares. Pursuant to section 648G of the Corporations Act, the Company has included in its Constitution adopted on 11 November 2022, a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act. This clause of the Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.
Effect of proposed proportional takeover provisions	Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.
Reasons for proportional takeover provisions	A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.
Knowledge of any acquisition proposals	As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.
Potential advantages and disadvantages of proportional takeover provisions	The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted. The potential advantages of the proportional takeover provisions for Shareholders include: (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;

	(b) assisting in preventing Shareholders from being locked in as a minority; (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid. The potential disadvantages of the proportional takeover provisions for Shareholders include: (a) proportional takeover bids may be discouraged; (b) lost opportunity to sell a portion of their Shares at a premium; and (c) the likelihood of a proportional takeover bid succeeding may be reduced.
Recommendation of the Board	The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.

9. RESOLUTION 13– APPROVAL TO ISSUE SECURITIES UNDER AN INCENTIVE PLAN

9.1 General

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of a maximum of 32,500,000 Options under the employee incentive scheme titled “Employee Incentive Options Plan” (**Plan**)).

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

9.2 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 9.3 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

 - (a) the Options expire at 5 pm Western Standard Time on the date which is 4 years from their date of grant (**Expiry Date**);
 - (b) any Options not exercised on or before the Expiry Date will automatically lapse; and

3. Subject to paragraph 4 below and unless otherwise determined by the Board of the Company (**Board**), if the holder ceases to be an employed executive or Director of the Company for any reason other than due to death or total and permanent disablement (as determined by the Board acting reasonably), the Options will automatically lapse on the earlier of the Expiry Date or after 90 days.

SCHEDULE 3 – TERMS AND CONDITIONS OF PLAN

A summary of the material terms of the Company's Employee Incentive Options Plan (**Plan**) is set out below.

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of options (Options).
Maximum number of Options	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Options offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b) – refer to Resolution 13). The maximum number of equity securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exemption 13(a)), following Shareholder approval, is 32,500,000 Options. It is not envisaged that the maximum number of Options will be issued immediately.
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Options provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Options the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Options	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Options, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

Rights attaching to Options	Prior to an Option being exercised, the holder: (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Option other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of Options section below).
Restrictions on dealing with Options	Options issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Options may be exercisable on terms determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to an Option that has been granted to them.
Vesting of Options	Any vesting conditions applicable to the Options will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Options have vested. Unless and until the vesting notice is issued by the Company, the Options will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to an Option are not satisfied and/or otherwise waived by the Board, that security will lapse.
Forfeiture of Options	Options will be forfeited in the following circumstances: (a) in the case of unvested Options only, where the holder ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Company and any Associated Bodies Corporate (as defined in the Corporations Act) (the Group)); (b) where a Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group and the Board exercises its discretion to deem some or all of the Options held by a Participant to have been forfeited; (c) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (d) on the date the Participant becomes insolvent; or (e) on the expiry date of the Options. In the case of vested Options, where the holder ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Group), all vested Options must be exercised in accordance with their terms within 30 days of the Participant becoming a Leaver. If the vested Options are not exercised for any reason within the 30-day period, the vested Options will be forfeited by the Participant.
Listing of Options	An Option granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of an Option granted under the Plan on the ASX or any other recognised exchange.
Exercise of Options	To exercise a security, the Participant must deliver a signed notice of exercise (Exercise Notice) and, pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Option (if

	subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice. An Option may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.
Timing of issue of Shares and quotation of Shares on exercise	Within five business days after the issue of a valid notice of exercise by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Options held by that Participant.
Restriction periods and restrictions on transfer of Shares on exercise	If the invitation provides that any Shares issued upon the valid exercise of an Option are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction. Additionally, Shares issued on exercise of the Options are subject to the following restrictions: (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Options may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act; (b) all Shares issued on exercise of the Options are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Options are subject to the terms of the Company's Securities Trading Policy.
Rights attaching to Shares on exercise	All Shares issued upon exercise of the Performance Right will rank equally in all respects with the then Shares of the Company.
Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), unvested Options will vest unless the Board determines in its discretion otherwise. The Board's discretion in determining the treatment of any unvested Options on a change of control event is limited to vesting or varying any vesting conditions in respect to the Options and does not include a discretion to lapse or forfeit unvested Options for less than fair value.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Options, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Options are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Options will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Options for holders under the Plan and delivering Shares on behalf of holders upon exercise of Options.
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Options have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
Plan duration	The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the Options granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Options may be cancelled in the manner agreed between the Company and the Participant.
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
Withholding	Notwithstanding any other provision of the Plan rules, and without limiting the amounts which may be deducted or withheld under applicable laws, if a member of the Group, a trustee or the Plan administrator is obliged, or reasonably believes that it may have an obligation to account for any tax, or any superannuation amounts (or equivalent social security contributions, if applicable) in respect of a Participant (Withholding Amount), then that Group company, trustee or Plan administrator (as applicable) is entitled to withhold or be reimbursed by the Participant for the Withholding Amount payable or paid. The relevant Group company, trustee or Plan administrator may take any actions as it sees fit to ensure payment of, or recover (as applicable), the Withholding Amounts including (without limitation): (a) selling on behalf of the Participant the number of Shares granted under this Plan required to provide the Withholding Amount; (b) obtaining the Withholding Amount from the Participant (by salary deduction or otherwise); (c) forfeiting a sufficient number of Securities to satisfy the Withholding Amount; or (d) making any other arrangements with the Participant for payment or reimbursement of the Withholding Amount.
